

1. Go to <https://aws.amazon.com/education/awseducat/>
2. Click on Join AWS Educate.

3. Click on Student

Please note that any personal information you provide will be treated in accordance with the [AWS Educate Terms and Conditions](#) and [AWS Privacy Notice](#)

4. Fill up all your details and leave the Promo Code **BLANK** and click on NEXT

Note: You need to enter the **Stevens email id**.

The screenshot shows the AWS Educate application form. At the top, it says "AWS Educate" and "Apply to join AWS Educate". Below that is a blue banner with the text "Step 2/3: Tell us about yourself". On the right side, there are links for "Pref" and "Eng". The form fields are as follows:

- School Name:** Stevens Institute of Technology (with a dropdown arrow and an information icon). Below the field is a hint: "Start typing the name of your school and select from the list. If you don't see your school, enter the full name, example: Harvard University".
- Country:** United States (with a dropdown arrow and an information icon).
- First Name:** Sumit
- Last Name:** Gupta
- Email:** sgupta34@stevens.edu (with a dropdown arrow and an information icon). Below the field is a hint: "Please provide a valid, current email issued by your institution. Example: your_name@your_school.edu".
- Month:** 05 (with a dropdown arrow and an information icon).
- Year:** 2020 (with a dropdown arrow and an information icon).
- Day:** 9 (with a dropdown arrow and an information icon).
- Year:** 1993 (with a dropdown arrow and an information icon).
- Promo Code (optional):** (with a dropdown arrow and an information icon).

At the bottom right, there is a link: [Frequently Asked Questions](#).

5. You will receive an email to verify your AWS educate account main and after some time (2-3 hours) you will receive to set password.

Congratulations!

Your AWS Educate application has been approved. As a member of the AWS Educate program, you will gain access to the benefits listed below:

AWS Educate Student Portal

The AWS Educate Student Portal is the hub for AWS Educate students around the world to find AWS content to help with classwork, connect to self-paced labs and training resources.

Click here to set your password and log in to the AWS Educate Student Portal. After logging in, click "AWS Account" at the top of the page to access your AWS Educate Starter Account. Use this feature to gain access to the AWS Console and resources, and start building in the cloud.

6. Use the Stevens Email id and the password set in the previous step to login into AWS Educate Account.
7. Select AWS account on the top right corner and Create Starter Account

AWS Educate Starter Account

Your cloud journey has only just begun. Use your AWS Educate Starter Account to access the AWS Console and resources, and start building in the cloud!

AWS Educate Starter Account

Your account has an estimated **100** credits remaining and access will end on **Feb 3, 2021**.

8. Finally, You will get **100 credits**. Click on AWS console to launch AWS Management Console.

Your AWS Account Status

| | |
|---|---|
|  | Active full access () |
|  | \$100 remaining credits (estimated) |
|  | 2:60 session time |

[Account Details](#)[AWS Console](#)

Please use AWS Educate Account responsibly. Remember to shut down your instances when not in use to make the best use of your credits. And, don't forget to logout once you are done with your work!

Note: In order to launch AWS Management console each time you have to login using AWS Educate.

For Lab 1 everyone should create AWS Educate account, activate \$100 credit using the following steps and upload this screenshot.
